

**Lorem Ipsum** is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

## EXPERIENCE

### ESDS Software Solutions Pvt. Ltd, Delhi — *PHP Developer*

November 2022 - PRESENT

- Working hand-in-hand with a robust team of developers, I took part in crafting and sustaining sophisticated web applications. These applications were powered by PHP, JQuery, and MySQL, creating a scalable digital architecture capable of dynamic expansion.
- A commitment to innovation and refinement allowed us to incorporate new features and rectify persistent bugs, enhancing system efficacy by 20%.
- My team and I diligently tested and debugged the software to achieve seamless functionality, resulting in an impressive 30% decline in reported issues.
- I engaged actively in scrutinizing and reviewing code structures. This process allowed us to share constructive critique among the team, leading to a remarkable 15% enhancement in the quality of our coding methods.
- I assisted in drafting comprehensive, user-friendly guides and technical specifications documentation

### Team Computers, Delhi — *Trainee Engineer*

July 2018 - DECEMBER 2018

- Assisted in requirements analysis and prototyping, gaining hands-on experience in the full software development life cycle and solution design.
- Overall system stability was improved after thorough system testing was conducted, which involved identifying and resolving critical issues.
- Delivered projects, meeting scheduled timelines and milestones, through collaboration with cross-functional teams.
- Receiving recognition for attention to detail, strong problem-solving skills were effectively demonstrated by resolving complex technical issues.

### WEB TEK Labs Pvt. Ltd, Delhi — *Intern Android App Developer*

December 2017 - April 2018

- Crafted captivating Android-based application employing the power of Java and the versatility of Android Studio.
- Yielded significant influence in steering productive brainstorming sessions with seasoned developers, injecting avant-garde concepts that notch up the app's utility and enrich the end-user's interaction.
- Painstaking diligence in carrying out meticulous assessment and troubleshooting, the quintessence of which is the release of a superior quality application sparing only minimal hiccups in its execution.
- Embraced pivotal responsibilities in articulating detailed application specifications and user-friendly manuals, underpinning effective knowledge dissemination upkeep.
